Managing Student Behaviour – Consequences for Positive Behaviours.

WHOLE SCHOOL POSITIVE INCENTIVES FOR BEHAVIOUR MANAGEMENT

- Commendation letters presented by teachers to reward positive behaviours.
- Commendation letter recipients drawn out at Assembly to receive a prize from Principal or Deputies: Junior, Middle and Senior.
- Faction tokens given out to reward positive playground behaviours. These may also be part of an in-class reward system. Specialist subject teachers and duty teachers are encouraged to use these.
- The faction at the end of term with the highest points is announced at Assembly and receives an icy-pole each.
- Merit Awards presented at Assembly, rewarding academic achievement, citizenship, environmental awareness and sportsmanship.
- Children’s work is displayed in the office area and on hall pinup boards.
- Acknowledgement of students’ work by sending them to show a buddy teacher or member of the administration team.

There are three main whole-school strategies:

1. THE FACTION TOKEN SYSTEM
This is a whole school system where tokens are awarded by class and duty teachers to students demonstrating excellent behaviour, manners, work, friendship, citizenship, etc… in the class or playground. These tokens are placed in the faction box in front of the staff room. A tally is made of the tokens and the faction with the most tokens is announced over the PA. A tally is kept to determine the faction with the most tokens accumulated over the term.

The main features of this system are:
- Tokens are distributed to students demonstrating appropriate behaviours in the classroom, playground or in any school setting (eg. assembly, fitness, excursions…)
- The faction with the most tokens will be announced at the end of each term.
- The faction that has accumulated the most points by the end of the term will be given an icy-pole to be eaten during a lunch time or recess that has been extended only for that faction.

2. LETTERS OF COMMENDATION (See Appendices)
Students, who demonstrate exemplary behaviour or outcomes, or an improvement in behaviour or outcomes, may receive a Letter of Commendation which is sent home to the parents/caregivers through the student. A return slip is signed, and the return slip is deposited in the Letter of Commendation Box in the front office.

- Return slips are placed in a box in the front office. The Principal will draw one student return slip from Junior, Middle and Senior to be announced at the Assembly. Students drawn from the box will receive a prize from the Principal/Deputies.

3. CLASS POSITIVE REINFORCEMENT SYSTEM.
To allow for flexibility in teaching and learning styles, and classroom management, teachers may choose their own system of positive reinforcement to use in conjunction with the Faction Token System and the Letter of Commendation.

It is essential that teachers endeavour to ensure that their chosen method is
- Consistent
- Behavioural – students know what they are being rewarded for.
- Tailored to suit the learning needs of all students in the class.
- Inclusive.
- Collaborative - involves all key stakeholders.

For some students it may be necessary to develop individual behaviour management plans. These are not just about consequences for inappropriate behaviour – in many cases an effective, negotiated plan set up to reward appropriate behaviour may prevent the inappropriate behaviour from arising in the first place, and transform a stressful relationship into one based on positive reinforcement.

Some models of positive reinforcement you might like to think about are:
- Class points system – Small Group Based
- Communication book - Pencil Progress system, individual based.
- Whole class – Colour in dots on a picture, working up to an end of term class reward.
- Encouragement and Praise - Encouragement should be the primary instrument of positive reinforcement.
- Stickers - Each teacher is provided with a classroom budget for the purchase of stickers and other resources.
- Prizes and Stamps- Given for good work and behaviour.
- Group/ Individual points - Students win points for positive behaviour and producing work of a high standard.
- Students may be given a letter of commendation or special certificate from the class teacher for excellent work progress/ attitude to school.
- Raffle tickets - Class raffle whereby students receive tickets for positive behaviour and work.
- Marble Jar - Marbles are placed in a jar for positive behaviour. When the jar is full, the class receives a group prize.

Consequences of Inappropriate Behaviour Flow Chart: Years 1-6

Classroom
Stage 1 Warning
- Effective management strategies (proximal praise, move near to student etc.)
- Warning given if behaviour persists

Stage 2 In-Class Withdrawal
- Inappropriate behaviour persists – student is isolated within class and completes class work and (if teacher deems appropriate) a reflection sheet.
- Reflection sheet (if completed) is sent home for parent/carer to sign.
- If negative behaviour continues, teacher may apply recess or lunch time detention in class (under teacher’s supervision).

Stage 3 Withdrawal Class
- If inappropriate behaviour still persists then child is sent to buddy class and completes reflection sheet (see attached) as well as work set by their teacher.
- For the administration team to be kept aware of negative behaviour patterns, the teacher should inform the Deputy Principal when a student is sent to Withdrawal Class. The Deputy may briefly meet with the student to discuss the issue/Reflection Sheet and recommend actions that will prevent its reoccurrence.
- Sheet is sent home for parent/ carer to sign and a phone call may be organised if the teacher or parent deems this as necessary to discuss the incident.
- Students that reach this stage will be placed on the detention bench for a period of at least one recess or lunch break.
- A ‘Three Strikes’ Policy will be applied to all Year 6 students owning a leadership role within the school. If these students reach Stage 3 or Stage 4 three times in one semester, they will lose their position and will be required to return their badge.
- The ‘Three Strikes’ Policy per term will also be applied to all Years 1-6 students in regards to excursions, camps and other significant out of school experiences/rewards.
- Class teacher to input behaviour record onto Integris.

Stage 4 In School Suspension – Isolation to office withdrawal desk
- Class teacher to provide work that can be completed with minimal interaction or assistance from the administration team.
- ‘Problem Solving’ reflection sheet to be completed and discussed with a member of the admin team.
- Sheet is sent home for parent/ carer to sign and a member of the admin team will phone the primary caregiver to discuss the incident and consequences applied.
- The student will not return to class for a minimum of half a day and maximum of two days.
- Lunch/recess will be eaten on the bench or at the isolation desk.
- Deputy Principal/Principal will input behaviour record onto Integris and copy these notes (by email) to the teacher.

Stage 5 Individual Behaviour Plan
- Third withdrawal class within a term – Parents will be asked to attend school for a meeting with the student, class teacher and Deputy Principal/Principal. An Individual Behaviour Plan (incorporating goals for improvement, consequences at home and school, and rewards for improvement) will be formulated.

Fast Track – Isolation to office withdrawal desk
- Highly inappropriate behaviours or language – main caregiver contacted by a member of the administration team and appropriate consequence given out by teacher and admin.
- Each classroom and duty bag contains a Red Emergency Card. The card is sent to office if Immediate Admin assistance is needed.
Please Note - Students must NOT be sent to the GREEN BENCH to complete unfinished work. They may be kept in the classroom with the teacher at break times until finished.

Guidelines for Establishing a Classroom Discipline Policy

Classroom Discipline Policy.
1. All teachers are to establish a set of classroom rules.
2. All teachers are to establish a set of consequences that are brought into effect when class rules are broken.
3. All teachers are to establish a set of positive incentives / rewards to reinforce acceptable behaviour / work standards.
4. The rules, consequences and positive incentives / rewards are to be discussed with children [SENT HOME TO PARENTS] and should be clearly visible in the room. For example, charts, checklists etc.
5. A record must be maintained by teachers and Administration of the more serious misbehaviour that occurs in the classroom. Parents must be notified of each incident.
6. A ‘Reflection Sheet’ containing, in writing, a record of the children’s misbehaviour in the classroom must accompany the child when he or she is sent to Administration.
7. If a student reaches stage 3 (withdrawal class), teachers are to input the behaviour onto Integris.
8. For Stage 4 and ‘Fast Track’, admin will input the behaviour onto Integris and contact the primary caregiver.

Classroom Strategies to be employed include:
1. Run discipline on a daily basis.
2. Children start each day with a clean record.
3. Class rules clearly established.
4. Children made aware of consequences / fast track consequences.
5. Positive rewards are in place.
6. Be fair, be consistent.

Guidelines and Strategies for Behaviour Management of Kindergarten and Pre-Primary Students

1. **Proximity Praise / Reward**
   Where a student is misbehaving, praise at least one other student who is in close proximity for behaving appropriately; praise the misbehaving student immediately they behave appropriately; prompt or redirect the student to return to the appropriate behaviour; check that the student can cope with the activity; quietly enquire as to the reason for the misbehaviour.

2. **Rule Reminder/ Warnings**
   Referral to the displayed rules. Reinforcement or questioning of class rules. Verbal reprimands according to individual classroom procedures. Stating the problem and clearly stating the required behaviour.

3. **Case Conference**
   The teacher initiates a Case Conference of the relevant people to discuss a plan for the management of the student’s behaviour. This might include all or some of the following: parent, student, teacher, administrator, and school psychologist.

4. **Non-attendance**
   Caregivers are advised by the principal that their child cannot attend the session the following day or part of the day. This action is for extreme cases.
Guidelines and Strategies for Behaviour Management of Students Year 1 – 6

1. **Proximity Praise / Reward**
   Where a student is misbehaving, praise at least one other student who is in close proximity for behaving appropriately; praise the misbehaving student immediately they do something behaving appropriate; prompt or redirect the student to return to the appropriate behaviour; check that the student can cope with the activity; quietly enquire as to the reason for the misbehaviour.

2. **Rule Reminder/ Warnings**
   Refer to displayed rules. Reinforce and/or question class rules. State the problem and clearly state the required behaviour.

3. **Isolation in Class**
   Further infractions of class rules leads to a student being isolated from other students in the class. Student must complete a Reflection Sheet. Parents are informed of the student’s actions and the resulting isolation in the classroom.

4. **Isolation in Withdrawal Class**
   Further infractions of class rules leads to a student being isolated from the class and sent to a buddy class for a 20 minute period. Student must complete a Reflection Sheet and be provided work by his/her classroom teacher. Parents are informed of the student’s actions and the resulting consequence of isolation in the buddy class.

5. **Detention Loss of Privilege**
   A student reaching this stage can lose a privilege. This could be a recess break or and lunch break. The loss of privilege could include other aspects of school life and may also include aspects of home life. This stage must be done with the inclusion of notification of parents and in some cases where home privileges or excursions are excluded for the child, parents involvement in the decision making must take place.

6. **Individual Behaviour Plan**
   Third buddy class withdrawal within a semester will result in a Letter being sent home. Appropriate consequences will be given by the teacher and admin team. A parent conference involving the student, teacher and admin to set up a behaviour modification plan.

7. **In-School Suspension**
   Disciplinary procedure, where student remains at school but is isolated from other students. Case conference is called with the teacher, parent and student. Work must be organised for students who have multiple in-school suspension days.

8. **Suspension**
   End of line management procedure, which is used at the discretion of the school Principal. Details of suspensions are forwarded to District Office. The principal can instigate procedures to have a student excluded.

   **Fast Track**
   Outrageous behaviours – Red Letter and appropriate consequences metered out by teacher and admin.

**Guidelines for developing and Implementing Individual Behaviour Management Plans**

Individual Behaviour Management Plans are to be established when a student requires additional support to meet their individual needs or to modify their behaviour.

Individual Behaviour Management Plans must be documented to make clear the behavioural issues that are being addressed, desired outcomes, strategies to be used and the effectiveness of the strategies.

Parents must be informed and engaged in the process for planning individual behaviour management. Staff must take every opportunity to encourage parent participation by genuinely seeking information and assistance in the responses to student behaviour. Contact made with parents needs to be sensitive to any factors that may create difficulties with communication, for example cultural difference, English as a second language or disability.
**Consequences of Negative Behaviour - Playground**

**Fast track**
If a student’s behaviour is one of those outlined below, the student may be fast tracked as follows, at the discretion of the Duty Teacher/Admin.

**Stage 1 Fast Track.**
- School rule is broken
  - Student walks with duty Teacher (5 – 10 minutes). Student is made aware of which rule is broken.
  - Rule broken again
  - Student sent off the oval to sit on detention bench for the rest of break with option of a reflection sheet, Admin is notified. Student to show Deputy or Principal reflection sheet at end of break.
  - If sent off oval two or more times in a week, Admin makes phone call to parents/caregivers.
  - Depending on the behaviour and how often it reoccurs, the student may be limited to a restricted play area in consultation with parent/caregiver, teacher and student.
  - If rule is broken while in restricted play area, in school withdrawal or out of school suspension will be negotiated in an admin, parent/caregiver, student meeting.

**Stage 2 Fast Track: Extreme Behaviour**
- In case of a playground emergency, the Red Card (in the playground bag) will be sent to the office for immediate Admin assistance.
- Depending on the behaviour and how often it reoccurs, the student may be limited to a restricted play area in consultation with parent/caregiver, teacher and student.
- If rule is broken while in restricted play area, in school withdrawal or out of school suspension will be negotiated in an admin, parent/caregiver, student meeting.

**Fast Track – When student’s inappropriate behaviour is excessive.**
Sometimes a student’s behaviour may be such that moving sequentially through the classroom consequences is inappropriate. Students may be putting themselves and others at risk. In the case of extreme behaviours a student will be sent immediately to Administration, by-passing the early consequences, as previously stated.

**Examples of Actions That Would Warrant Children Being Sent to the Administration:**
- Violent behaviour.
- Attack on teacher or another child.
- Threatening to physically harm another child, or threatening their safety or welfare.
- Blatant refusal to obey.
- Verbal Abuse.
- Malicious attack on school property.
- As a final step to class consequences.
- Swearing – deliberate abusive language toward another person.
- Stealing.
- Continued disruption during time out period in withdrawal class.
- Highly inappropriate/sexualised language.
Guidelines for Office Withdrawal

The placement of students in isolation will be authorised by the Principal or Deputy Principal in consultation with the classroom teacher as one of a number of available counselling and behaviour management measures in dealing with students with disruptive behaviour.

Details of a student’s unacceptable behaviour will be documented in the normal way (INTEGRIS and BMIS forms). Details of isolation will be entered in the school’s behaviour management tracking records.

Classroom teachers are responsible for ensuring that pupils in isolation are provided with an adequate amount of work. Work is to be from the pupil’s normal learning program at a level that the pupil can carry out without explanation or assistance from the supervising teacher.

Pupils in isolation are under the general supervision of an Administrator. Administrators are responsible for ensuring that pupils in isolation are safe and remain isolated from peers. Supervising Administrator will interact with isolated pupils with polite detachment. Their interaction should be restricted to granting the pupil permission to leave the room for toileting purposes and to directing them to an alternative work area in the event of the Administrator being absent.

Administration will notify parents/guardians of isolation and request a meeting in person or by phone to discuss the matter.

Pupils who are absent from school during their period of isolation will complete the requirements of isolation on their return to school.

Guidelines for Suspension

The Principal or Deputy Principal may authorize the suspension of pupils in cases of either repeated misbehaviour or of serious misbehaviour as outlined above (Re: Examples of Actions That Would Warrant Children Being Sent To The Administration).

Parents will be contacted and notified before a decision of suspension is made, except in exceptional circumstances.

Suspension and Exclusion will occur under the guidelines of the policy developed for Behaviour Management in Schools. Please see this policy for further detail.

Guidelines for Consequences

Class Isolation

- Teachers are to have an appropriate area set aside for isolation in their classroom.
- Students placed in Class Isolation do so for a set period of time.
- Students complete a Reflection Sheet and complete their work. The student is to discuss the Sheet with their teacher for it to be accepted. It is then photocopied and the original sent home to be signed and returned for future reference.

Withdrawal Class

- Teachers should consult with their Withdrawal Class teacher to ensure Withdrawal Class is available.
- Students sent to Withdrawal Class may be accompanied by another student to the room.
- The student will work in the isolation area of the buddy class.
- They complete a ‘Think Sheet’ (to be sent home to parents) and finish their work.
- The student will work in the Withdrawal class until the next break after which they return to their own class.
- Teachers photocopy the ‘Think Sheet’ and send them home for parents for comment.

Deputy Principal or Principal

- Students sent to the office with an ‘admin slip’ are to meet with the Deputy Principal who will seek clarity from the incident and contact parents. Serious offences will bypass issuing of an ‘admin slip’.
- Sending a student to the Deputy Principal / Principal is to allow a process of negotiation and resolution to occur in applying a consequence, relative to the inappropriate behaviour.
- It may be appropriate for student counselling and/or peer mediation to occur with or without interagency support such as student services. This could include our Chaplain.
- A ‘cooling off’ period for the student(s) may be required in a ‘Time Out/Isolation’ area situated in the front office. Students will be asked to reflect on the incident and complete work in this area. This is then classified as ‘In School’ suspension.
- Students can be requested to remain in Time Out until the end of the school day and/or for a number of days dependent on the severity and nature of the incident.
